

Transfab Magnetic Solutions Inc. ('Transfab TMS') COVID-19 Pandemic Statement.

Dear Valued Customers,

On March 15th 2020, the Québec government declared a health emergency and indicated that all non-essential businesses and services shall be shut down in order to limit the propagation of the Covid-19 virus in the community.

Transfab Magnetic Solutions Inc. values the physical and mental wellbeing, health and safety of our team members, their families, our valued customers and all our community partners.

Transfab TMS provides products and services to essential service sectors as officially defined in the guidelines such as Heating and Ventilation, Energy, Hospitals, Aerospace, Transportation and Critical manufacturing processes. Transfab TMS has implemented several measures to continue to deliver these products and services while working to protect the community from the pandemic and remain in operation to best serve its customers:

- 1) Implement distancing measures in our Administration, Sales & Marketing, Manufacturing and Engineering operations. Where applicable, work from home functions have been implemented.
- 2) Team members who are more vulnerable to the virus have been encouraged and supported to self-isolate to protect themselves and their families.
- 3) Apply best practices in personal and professional hygiene as recommended by the authorities. Provide workplace and home PPE to our valued team members and their families.
- 4) Maximize visibility for virus mitigation techniques and guidelines at workstations and different locations in the facility. Continuous education and reinforcement of basic best practices.

Our customers are encouraged to keep using their current Sales, Marketing and Engineering contacts at Transfab TMS who will answer your requests in the same timely manner reflecting our Mission of Simplicity, Reliability and Efficiency. Our objective is to continue the support all our customer requirements during these difficult times to the best of our ability.

Transfab TMS is continuing to encourage our dear and valued partners through our corporate social policy which is needed more than ever during these challenging times. By working and supporting each other everything will be alright. Everyone stay healthy, follow best practices diligently and stay SAFE!!
